Subject First Stage Drainage Scheme in Kunigal Town

With reference to your letter No 399 dated 27th October 1947, I have the honour to state that during your visit to this town on 25th August 47 we discussed this subject and you were kind enough to say that the work would be taken up if the Government share of cost amounting to Rs 1,382-8-0 was adjusted as Rs 2000/- had already been credited to the Treasury and that the balance of the amount involved might be arranged to be adjusted in two instalments

I immediately submitted bills in duplicate for Rs 1382-8-0 being Government share of cost to the Deputy Commissioner, Tumkur District Tumkur for countersignature and return But the Deputy Comm ssioner has intimated in his memo No A 6 C 3624 dated 17th October 1947 that the bill has been sent to the Comptroller, Bangalore for preaudit and return and also states in his letter dated 1st October 1947 that recommendation has been made to Government to sanction the payment of Rs 5824-4-0 due by the Municipality in this respect and also to renew the lapsed contribution as sanctioned by Government in their Order dated 7-10-1943

Under these circumstances, I wish to state that the balance amount together with the quota due from Government will be paid soon after sanction is accorded to do so
